

Packages

To better support families and meet each patient's unique needs, we've created curated packages that provide essential items from the start.

Each package addresses common challenges, such as incontinence and sensory processing needs, with items designed to support safety, comfort, and ongoing care.

Cubby Bed Includes:

- + Dream Hub (1)
- + Frame (1)
- + Canopy (1)
- + Safety Sheets (3)
- + 8" Mattress (1)

Why add a package?

- ✓ Ensures medically necessary support
- ✓ Simplifies clinician prescribing
- ✓ Reduces future out-of-pocket costs

Packages

Package 1
